Issue 1 JUNE 2008

► **6pm goes Public**

Welcome to our first Issue of the 6pm Newscast. As an organisation, we firmly believe that communication and transparency has been key to our success. We would now like to extend this a little further and through this biannual newsletter we hope to keep our esteemed, clientele and all our contacts informed about important issues within 6pm.

As some of you may have heard, in September of last year 6pm ...

► **Refining Our Value Proposition**

To date 6pm has been highly successful in building a sustainable and profitable business based on our Flexible Resourcing and attractive cost versus risk model due to our Malta operation. However, as a company we are only too well aware that complacency is our worst enemy.

Over the last year we saw increased trading in certain areas and ...

► **6pm Charity Initiative**

6pm has a long history of working at the community level to provide support for many worthwhile causes. Our goal is to focus our resources smartly and strategically and ensure that the work we do connects closely to our company and its values, and most importantly, adds value to the communities in which we do business.

Towards the end of Q2 2007, management made a conscious decision to identify a cause in ...
